Job Posting – Campus Safety Officer

Campus Safety Officer (CSO)

Central Catholic High School, located in Toledo, Ohio, is currently hiring a Campus Safety Officer (CSO), on either a full time or part time basis. This individual must be visible on campus and maintain open and effective lines of communication with students, parents, staff/faculty, and visitors – all while serving as a positive role model.

The role of the CSO would be a hybrid position to address Security, student support, and crisis response. The position will be non-instructional but student-centered, designed to foster a positive school culture that focuses on the overall well-being of our students and supporting the environment surrounding individual needs.

Responsibilities of this position include, but are not limited to, maintaining a physical security presence, monitoring perimeter access around and within campus facilities, proactively engaging with students, as well as participating in drills and emergency events. This individual must also have the ability to work independently and use sound judgement in the event conflict resolution is necessary.

The ideal candidate will be available to work afternoon or evening shifts in addition to special events, as scheduled by the Director of Operations. All candidates must have, at a minimum, a high school diploma or GED, a valid driver's license, and auto insurance. Individuals with prior direct experience working within the security profession are preferred. Candidates must also have the willingness to support the mission and vision of Central Catholic High School.
